First Century Village - As you stroll through the village you will see several stone houses with indoor- outdoor access all dressed with period props. Be sure to visit the cave where Jesus was born, and then climb the stairs to see the upper room where Jesus and His disciples experienced the last supper. The village is set with period props made to look like an authentic first century village where Jesus resided. Signs are posted in pertinent areas so you get an authentic first Century experience of what you are seeing in the village. (Actors available upon request and for an extra fee)

Statue Garden - A walk through the garden is really a walk through the bible. This is a 30,000 square foot Statue Garden with beautiful statues set amongst beautiful gardens. You will begin in the Garden of Eden, on to Noah's Ark, then onto the Red Sea and the Passover area. The participants will see Christ's sacrifice for us and His resurrection. They will even get to see the tomb Jesus was buried in complete with the huge stone that actually rolls!

Marketplace - The Marketplace is a central location just down from the Garden and right next to the Village. This area is a themed area we use for vendors during our live productions and is a great place to have lunch on picnic tables. There are restrooms adjacent to the Marketplace and Village. We recommend beginning with the garden tour, having lunch or resting in the marketplace, and then moving on to see the Village.

Capernaum Theater - The theater is located in the Marketplace area and is a cozy first century themed movie theater. We can show any movie or video you prefer seating 50 people comfortably. We at Capernaum also have a selection of our own videos to make your experience memorable.

Pak Pavilion Yom Sim Pak Pavilion is named after the much loved sculptor of our statues. This pavilion is located at the exit of the Statue Garden and is also a great place for lunch. This covered area with adjoining kitchen is fully fitted with a screen and projector for your media needs.

Choose from two dining areas:

Pak Pavilion Dining Area -Seats 50-60 at a time w/tables and chairs. Seats 100 without tables. (Tables and Chairs provided upon request).

If you would like to enjoy the Luxuriously Rustic atmosphere of Capernaum outdoors, the Pak Pavilion is the perfect place. It is a covered pavilion that houses its own kitchen, and has audio video capabilities.

Marketplace Dining Area – Seats 100-150 at a time / Picnic Tables

If you have a larger group and would like to be right in the center of everything then you would enjoy the Authentic Marketplace area. There are 9 booths with electricity located in this area that are available for an extra fee to serve out of or basically use or whatever purpose you would like. The Picnic tables are open air; Restrooms are also located in the Marketplace area.
